ROYAL MALTA GOLF CLUB

www.royalmaltagolfclub.com

The Royal Malta Golf Club was founded in 1888 and moved to its current locality in 1904. The course offers 18 holes of golf in stunning, historical, landscaped grounds, which are maintained daily. Today at par 68, the course is a good challenge for the more experienced, without being unkind to the novice.

The apparent simplicity of the course is deceptive as it is narrow demanding accuracy off the tee and controlled approach shots as the greens are small and well bunkered. Depending on the season, there is not much water on the course, but a few strategically placed penalty areas lie in wait.
